EDUCATION

Study Program
freeCodeCamp

2019 - Present

Desc.
- Great tutorials/videos.

Study Program
DeVry University

2010 - 2012   *Irving, TX*

Courses
- WGD

WORK EXPERIENCE

Network Technician II
Sboca Wireless Network

01/2017 - 04/2020   *Nashville*

Wifi solutions and provider for smaller market hotels/rv parks/ resorts.

Achievements/Tasks
- 60-70% travel until 2019
- Provide Tier 2 support when on call(weekends) or in between installs.
- Coordinate with customers, Plan travel, Program and ship equipment, Fully document/label/picture completed installs onto SharePoint and Controller.
- Created a html landing page template that would redirect after authentication. Simple in design but came in handy being able to swap out .jpg files to match the customer.

Technician Lead
Fitness Machine Technicians

10/2019 - 04/2020   *Nashville*

Franchise that repaired, installed and provided maintenance for exercise equipment.

Achievements/Tasks
- Helped get new franchise up and running setting up procedures, checklist, guidelines and training videos.
- Averaged around 3-4 repairs/visits a day unless I had Sboca tickets/duties.
- Trained my replacement/new technicians.

SKILLS

HTML   CSS(Bootstrap, Tailwind)   Node.js
React + Redux   JavaScript   Gatsby
SQL(PostgresSQL, MySQL)   Cloud(AWS, Firebase)
Git/Github   REST API's   MongoDB/Mongoose
EJS/Express

PERSONAL PROJECTS

Star Wars Timeline
- Star Wars Canon timeline spanning across all movies and tv, made with react and react-chrono.

Nature Blog
- Simple React blog websites utilizing the sanity.io for the blog/backend. Was originally going to be my portfolio but I didn't love sanity.io so I pivoted and changed it to something else.
